**ITEM 1:** **Chair of Elders' Board Report – Stephen Tinsley**  
Covered the significant changes that occurred for Discovery Church subsequent to the departure of Rohan and Megan Dredge in February 2017. This included the significant time spent with staff by the Elders and the decision to appoint Pete and Sandy Lusk as intentional Interim Senior Pastors. Their role was to guide the church and bring unity and a hope for the future.

Reported that new Elders in Paul Cameron, Cheryl Osment and Stephen Tinsley were appointed to the Board in March and that the search for the next Senior Minister/s began in September 2017. Stephen expressed grateful thanks to fellow Board Members for their diligence throughout the search process. Tim Lambert remained as Chair until December 2017, before transitioning the role to Stephen Tinsley.

During 2017 Keith Derham's Eldership ended as he and Kay moved to Coffs Harbour. Jen Knoll also stepped aside in December 2017 after 3.5 years of faithful service to the Board.

A prayer meeting was established monthly, well led by Kay Derham, Cheryl Osment and Sandy Lusk.

In April 2017 Discovery Community Care moved premises. The Board remain excited for the future of DCC.
