

OPEN HEARTS!

1. Trace a circle and decorate it any way you like!
2. Cut it out.
3. Fold it in half.
4. Then fold it in half again.
5. Then fold it in half again. This will give you 4 hearts. You can fold it one more time to make 8 hearts.
6. Draw this shape (half a heart).
7. Cut it out. Unfold. Now you will have a beautiful piece of art and some small hearts to open and write mini notes to some people you love!

Inside every house is a heart and often a whole family of hearts!

When Lydia received the love of God she couldn't help but share that love with others and she opened her home to them.

Although we cannot open our homes in this time, we can open our hearts to receive love from God and share that with others.

Is there a gift or a note that you can drop off at someone's house this week to help them feel loved?

Discovery Families, a prayer for you.

“The Lord bless you and keep you; the Lord make his face shine upon you and be gracious to you; the Lord turn his face toward you and give you peace.”

Numbers 6:24-26

Loving God,

I pray that your love would abound in our homes and that peace would rest upon each heart.

I thank you for the gift of your presence, that you are with us all in this season. Remind us of this. Would we become more aware of this. Thank you that you want families to win, you want families to thrive!

Draw us closer. Call us deeper. Lead us to know more of your infinite love. May we grasp a little more of how wide, long, high and deep your love is for us in the midst of this season.

Thank you that we can trust you.

Amen.
