

dk craft june

Hey Preschool Families!

Hope you are all well! I have loved seeing all your crafts & smiling faces over the last while!

This month we'll be following along with church series 'On the Road' all about the journey of discipleship.

Below is an outline of the craft for the month. You can also see our focus for each week, which our hope is that you would be able to read the stories & reflect together with your kids throughout the month.

See you anytime from Sunday 8am online! discoverychurch.com.au/kidslive

Bless you in this time!

Olivia & the Discovery Kids Team!
