

S.O.A.P

God has things to say to us as well! Before you pray to God, why don't you find out what He is saying first?

1. Choose a verse from the Bible that talks about God
2. Complete the questions by talking about them with an adult or writing down your own answers.

| Scripture: Write down the Bible verse. | |
| Observation: What does this say about God and us? | |
| Application: How is God guiding us? What should we do in response? | |
| Prayer: Thank God and ask God to help you put this into practise. | |

Sing It!

Tell God how good He is with your voices and even dancing today!

This week, pray before you worship! Use your own words to tell God why you He is good.

Lightbulb Prayers

Life can get tricky sometimes, but we have a God who lights our way and guides us. This week spend some time thinking about the areas you need God to guide you in.

1. Draw 5 light bulbs on a blank piece of paper
2. Think about some things that you would like God to guide you in
3. Write each of them in a lightbulb
4. Spend some time talking to God and asking Him to guide you
5. Use this as a reminder that God is right beside you, guiding you in all of these situations

Obstacle Course

Sometimes it can be hard to trust God when we can't see Him. However, just as the voice of someone in your family will guide you through this obstacle course, God's voice will guide you through life.

1. Find someone in your household
2. Create an obstacle course
3. Select someone to blindfold.
4. Once blindfolded, complete the obstacle course with the other person directing you.
5. Swap!
