

Discovery Kids Preschool Craft

A Voice of One Calling

25 October 2020

Kids learn through play and creating! Making a craft is a great space to reflect on God's word and talk about what it means for your kid's life.

Watch

Tune in with the DK Online Service and see the craft made alongside the story. discoverychurch.com.au/kidslive

Materials (per child):

- 1 x paper plate (or cardboard circle)
- 1 x strip of card board (to make handle)
- alfoil (enough to cover plate)
- paint & paint brushes (or things to decorate)
- stapler (an ADULT may want to use this)

Create

1. **Cover** the paper plate with the alfoil
2. **Staple** (or glue/stickytape) the strip of cardboard onto the back of the plate to make a handle
3. Use **paint** to decorate your shield. Maybe with a picture that can remind you of how God is your strength and your shield. You might like to write today's memory verse on there as well – Psalm 28:7
4. **Share** together about a time where you know God was protecting you, when he was your shield and a time where God was your strength.

We would love to see what your kids get up to and hear of the time your family spend in church this week! So let us know by emailing

kids@discoverychurch.com.au :

- a photo of their work
- a written story about the conversations
- a short video telling us all about it!

Have a great time creating as a family!
