Wait and Watch - Lava Lamps

One thing we can do to be ready to meet God face to face one day is to talk with Him now. Even though we can't see God today, it's amazing that we can still talk with Him.

SUPPLIES

Small jar with a lid

Vegetable oil

Water

Food colouring

Fizzy Tablet (Alka-Seltzer, aspirin or Hydraltye)

You can follow these steps or tune into the Discovery Kids Service to watch the instructions on Crazy Craft

1. Fill your jar $\frac{2}{3}$ full with oil
2. Slowly pour in your water
3. Carefully drop in the food colouring.
4. Add the fizzy tablet to the jar and quickly put on the lid
5. Wait and watch for the amazing lamp to begin!

As you wait and watch, talk to God about seeing Him face to face one day. Tell Him how you feel, ask Him your questions, thank Him for speaking with you now.

Picnic Pictures

Photos help us to remember moments and memories and remind us of the stories we can share with others

1. Get a picnic ready
2. Find some family or friends to join you
3. Travel to your location
4. Take a photo once you have set up your picnic
5. As you enjoy the picnic, share about how you can be ready today to see God face to face
